Allergen Chart

We care about your health and any allergies or sensitivities you, or a member of your family, may have.

The following Allergen Chart lists food products that contain any of the allergens which are estimated to cause more than 90% of all allergic reactions.

Panago uses only the finest ingredients available and our products have no added MSG, no artificial flavours or colours. All Panago products are rennet-free and we use real 2% partly skimmed, lower-fat, mozzarella cheese. *Peanuts, peanut oil and tree nuts are not used in any Panago products. As all products are prepared in an open-kitchen environment, we cannot guarantee a 100% allergen-free environment. Allergen information is based on standard Panago recipes and is compiled from product information provided by our approved food suppliers and further based on standard product formulations. This chart is complete at the time of publication, October 2024. New product introduction, ingredient and/or recipe changes may cause this chart to become obsolete – please continue to check for updates or contact customercare@panago.com.

^{**} Peas are legumes. People with severe allergies to legumes, like peanuts, should be cautious when introducing pea protein into their diet because of the possibility of a pea allergy. Contains no peanuts or tree nuts.
